

Correspondence Training

Obtain your CEUs through the mail with **RoyCEU.com**. Our CEU-approved courses are available in hard copy format ... providing the same information as our on-line courses.

If you'd rather read a book to acquire your CEUs ... it's your choice ... you can do that! You will receive the same CEU value as the on-line version by reading and studying the printed material in Word format.

Just pay a small printing and postage fee above the on-line cost for each course. The 0.5 CEU courses are \$69.00 plus \$5.00 for printing and shipping. The 1.0 CEU courses are \$119.00 plus \$7.00 ... and the 2.0 CEU courses are \$199.00 plus \$10.00.
