At the time of training, please be sure to tell the operators to record the course identification (ID) number and course name exactly as identified above. This information is necessary for when the operator is logging his or her training hours into the web tracking database.

After the course is completed and if the actual training hours are above or below the TCH (plus or minus 10 minutes), please contact the Illinois EPA Training Course Coordinator at 217-785-0561. Any modification in the number of approved TCH must be made by the Training Provider and not the operator attending the course.

If you should have any questions, please feel free to call 217-785-0561 and ask for the OpCert Training Course Coordinator.

Thank You
